

Sunday Dinner Creamy Chicken Sandwiches

Ingredients:

- 36-40 oz Canned chunk chicken* with broth from can(s)
- 1 Can condensed cream of celery soup
- 1 Can condensed cream of chicken soup
- 1 Box Instant chicken stuffing mix (6-8oz)
- 1 Cup hot water

Directions

1. Put the canned chicken and the broth from the can(s) into a crock pot/slow cooker.
2. Use a large spoon or fork to break up any large chunks and spread out the chicken.
3. Add both cans of soup
4. Add the entire box of instant stuffing mix and one cup of hot water
5. Stir well to mix all ingredients
6. Cook on low in the slow cooker for 3-4 hours or on high for one hour
7. Spoon onto sandwich buns or bread and enjoy.

Notes:

- This recipe is very forgiving. I've made it with two cans of cream of chicken when I didn't have cream of celery soup on hand and everyone still ate it happily.
- If you don't want to use canned chicken you can cook 2 lbs of chicken breasts or chicken tenderloins in one cup of water or chicken broth in a crock pot/slow cooker or instant pot and shred it. Use that plus the broth from cooking in place of the canned chicken
- If you are in a real hurry or don't have a slow cooker you can use this recipe on the stove top in a large pot. Just mix all the ingredients and heat over medium flame until everything is hot and the stuffing has softened, about 15-20 minutes.
