

The Golden Ratio

Some of your favorite drinks follow a simple formula called the golden ratio. All it means is drinks are made with 2 parts liquor, 1 part sour, and 1 part sweetener. Once you master this simple ratio, you can choose your own ingredients and make your own signature cocktail.

Ingredient Key

● ¾ oz. (30 mL) sweetener
 ● ¾ oz. (30 mL) sour
 ● 1½ oz. (60 mL) liquor
 ● Mixer
